WARRANT FOR ANNUAL TOWN MEETING

York, ss.

To Wm. A. Totman, a Constable of the Town of Buxton, in the County of York and State of Maine, Greeting:

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of the said town of Buxton, qualified to vote in town affairs, to meet in the town house in said town of Buxton on Monday, the seventh day of March, A. D. 1932, at ten (10) o'clock in the forenoon to act on the following articles:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To see if the town will vote to accept the reports of the several town officers.

Art. 3. To see if the town will vote to elect or have the selectmen appoint road commissioners for the ensuing year and how many.

Art. 4. To choose town officers for the ensuing year.

Art. 5. To see if the voters of the town at the annual town meeting on March 7, 1932, will act on the following reduction of salaries and wages to take effect for the ensuing years:

All officers and committees, except highway commissioners, shall receive a 10% reduction.

Road commissioners a reduction of fifty cents (50c) per day.

All labor on town work a reduction of fifty cents (50c) per day.

High school principal 33⅓%.

High school assistant 10%.

All common school teachers shall receive a reduction rate of two dollars ($2.00) per week.

These reductions to remain in force unless modified at an annual town meeting.

Vote "yes" for reduction and "no" for no reduction. Regular ballot box will be used for collecting votes. (Petition of M. B. Drisko and thirteen others.)

Art. 6. To see how much money the town will vote to grant and raise for the support of common schools for the ensuing year.

Art. 7. To see how much money the town will vote to grant and raise for the support of free high school for the ensuing year.

Art. 8. To see how much money the town will vote to grant and raise for textbooks and school supplies.

Art. 9. To see how much money the town will vote to grant and raise for repairs of school buildings for the ensuing year.

Art. 10. To see how much money the town will vote to grant and raise for providing instruction in music in the schools.

Art. 11. To see what sum of money the town will vote to grant and raise to pay Buxton's share of the salary of the superintendent of schools.

Art. 12. To see if the town will vote to grant and raise the sum of five thousand two hundred dollars ($5,200.00) to pay the sums granted by loan at a special town meeting held in 1931, said money having been expended for snow removal, repairs of town farm buildings, Owens bridge, insurance on Page Box Mill, and special resolve road.

Art. 13. To see how much money the town will vote to grant and raise to pay on loan granted at a special town meeting in 1930 for construction and equipping of new high school building.

Art. 14. To see how much money the town will vote to grant and raise to pay interest on note for money used for construction and equipping new high school building.

Art. 15. To see how much money the town will vote to grant and raise for miscellaneous expenses for the ensuing year.

Art. 16. To see how much money the town will vote to grant and raise for contingent expenses for the ensuing year.

Art. 17. To see what action the town will vote to take in regard to opening the town farm.

Art. 18. To see how much money the town will vote to grant and raise for the support of poor for the ensuing year.

Art. 19. To see how much money the town will vote to grant and raise for repairs of highways for the ensuing year.

Art. 20. To see how much money the town will vote to grant and raise for support of bridges and culverts for the ensuing year.

Art. 21. To see how much money the town will vote to grant and raise for snow removal for the ensuing year.

Art. 22. To see how much money the town will vote to grant and raise for cutting bushes for the ensuing year.

Art. 23. To see if the voters of the town of Buxton, Maine, will vote not to raise any money for State aid highway of any class in 1932; voting by box ballot, red and white paper ballots, red meaning not to raise money, white to raise money. (Petition of M. B. Drisko and ten others.)

Art. 24. To see what price the town will vote to pay for highway labor for the ensuing year, including men, teams and trucks.

Art. 25. To see if the town will vote "yes" or "no" on the question of appropriating and raising money necessary to entitle the town to State aid as provided in Sec. 19, Chap. 25, Revised Statutes of 1916.

Art. 26. To see what sum if any the town will vote to raise in accordance with the provisions of Secs. 26 to 32, inclusive, of Chap. 28 of the Revised Statutes for the construction of a State aid highway, beginning at the town line between Old Orchard and Scarboro and extending in a general easterly and northerly direction over State aid road No. 2 to the State Highway at Dunstan, thence continuing in a general northerly direction over State aid road No. 2 to the Buxton town line, thence easterly over the County Road, so called, to the Gorham town line, thence continuing over the County Road, so called, in Gorham to State aid road No. 5, thence northerly to the State Highway in Gorham Village,

thence easterly over the State Highway and State aid road No. 6 to the Windham town line, thence over State aid road No. 1 in the town of Windham to the junction of State aid road No. 2, thence southerly over State aid road No. 2 to the Westbrook town line, also extending northerly in the town of Buxton through Duck Pond, Buxton Depot, Buxton Center to Bog Mills, so called, thence southwesterly to West Buxton, thence southerly on the direct road to Buxton Lower Corner and Davis Hill, so called, to the Saco town line, thence southerly through the City of Saco over the Buxton road, so called, to the State Highway in the City of Saco, thence over the Ferry road to the Old Orchard town line. (Petition of Chester W. Roberts and fourteen others.)

Art. 27. To see what sum of money the town will vote to grant and raise for patrolling State aid highways for the ensuing year.

Art. 28. To see what sum of money the town will vote to grant and raise in connection with the money received from the State, for aid third class highways, as laid out by the State Highway Commissioners.

Art. 29. To see if the town will vote to grant and raise the sum of one thousand and thirteen dollars ($1,013.00) for the maintenance of improved sections of third class highways for the ensuing year.

Art. 30. To see what sum of money the town will vote to grant and raise to be used in connection with money received from the State for construction of Special Resolve highway.

Art. 31. To see if the town will vote to grant and raise the sum of two hundred dollars ($200.00) for the maintenance of Special Resolve highway for the ensuing year.

Art. 32. To see if the town will vote to instruct the selectmen to recommend to the State Highway Commission, the road beginning at Kimball's Corner, so called, and running in a southerly direction to Groveville, as a third class road. (Petition of Fred A. Short and seventeen others.)

Art. 33. To see if the town will vote to grant and raise the sum of seven hundred and fifty dollars ($750.00) to be expended for gravel on the road leading from Groveville to Kimball's Corner. (Petition of Frank Meserve and nineteen others.)

Art. 34. To see if the town will vote to grant and raise the sum of seven hundred dollars ($700.00) for gravelling and clearing ditches on the so-called Course road, running from the third class highway to the Standish town line. (Petition of Grace E. Warren and twelve others.)

Art. 35. To see if the town will vote to grant and raise the sum of three hundred dollars ($300.00) to gravel the new road, so called, leading from West Buxton Village, said gravel to be put on as early as possible in the spring. (Petition of H. M. Davis and eleven others.)

Art. 36. To see if the town will vote to grant and raise the sum of five hundred dollars ($500.00) to gravel the highway leading from Salmon Falls to Bar Mills, starting at Rea's ice cream shop and ending at John Pease's residence. (Petition of James B. Carll and thirteen others.)

Art. 37. To see if the town will vote to place a cable railing at foot of Union Falls hill and to raise money to pay for the same.

Art. 38. To see if the town will vote to paint Buxton's share of the Salmon Falls and Union Falls bridges and to raise money to pay for the same.

Art. 39. To see what instructions the town will vote to give the selectmen in regard to handling or disposing of the George Page Box Co. property, to raise any or all money necessary to carry out said instructions and to take any other action relative thereto.

Art. 40. To see if the town will vote to grant and raise the sum of two hundred dollars ($200.00) for additional repairs on the town farm buildings.

Art. 41. To see if the town will vote to grant and raise the sum of one hundred dollars ($100.00) for the removal of brown-tailed moth nests on the highways.

Art. 42. To see if the town will vote to offer a reward of three hundred dollars ($300.00) for information leading to the arrest and conviction of any person or persons convicted of stealing hens or poultry and empower the selectmen and treasurer to hire money to pay same. (Request of A. T. Elwell.)

Art. 43. To see what sum if any the town would recommend to take from the joint State aid account for the purpose of applying bituminous surface treatment to State aid roads built within the past five years in accordance with the provisions of Chap. 271, P. L. 1931.

Art. 44. To see what sum if any the town would recommend to take from the joint third class money for the purpose of applying bituminous surface treatment to third class roads.

Art. 45. To see what sum of money the town will vote to grant and raise for upkeep of fire engines for the ensuing year.

Art. 46. To see if the town will vote to grant and raise the sum of one hundred and fifty dollars ($150.00) for the purpose of paying insurance policies against accident and death for the members of the Bar Mills Fire Department.

Art. 47. To see what action the town will take in regard to electing or re-electing trustees for the Berry Memorial Library.

Art. 48. To see what sum of money the town will vote to grant and raise for the use of the Berry Library for purchasing books. (Petition of Milton V. McAllister and twelve others.)

Art. 49. To see if the town will vote to grant and raise the sum of fifty dollars ($50.00) for the purchase of books for the benefit of the West Buxton Public Library. (Petition of Erston N. Libby and nine others.)

Art. 50. To see what sum of money the town will vote to grant and raise for a school clinic or a free bed at the Buxton and Hollis Hospital. (Petition of G. M. Sawyer and sixteen others.)

Art. 51. To see if the town will vote to install two electric lights on the Salmon Falls road between John Pease's and James Carll's. (Petition of Lydia A. Ricker and sixteen others.)

Art. 52. To see if the town will vote to raise a sum of money sufficient to construct a reservoir near the grammar school building at Bar Mills for fire protection and school use. (Petition of P. S. Brooks and fifteen others.)

Art. 53. To see if the town will vote to authorize the selectmen and treasurer to renew any outstanding notes on the new high school building.

Art. 54. To see if the town will vote to empower the selectmen and treasurer to hire money to meet town expenses until taxes are collected, if necessary to do so, and grant and raise money to pay interest on same.

Art. 55. To see how much money the town will vote to grant and raise for support of electric lights in town of Buxton.

Art. 56. To see how much money the town will vote to grant and raise to pay interest on bonds and bequests and insurance on school buildings for the ensuing year.

Art. 57. To see how much money the town will vote to grant and raise to apply to the sinking fund already established to take care of bonds issued.

Art. 58. To see how much money the town will vote to grant and raise for the Harold F. Hutchinson Post, No. 130, American Legion, for Memorial Day.

Art. 59. To see if the town will vote to grant and raise the sum of fifty dollars ($50.00) for the Boys' and Girls' Agricultural Clubs.

Art. 60. To see how much money the town will vote to grant and raise to pay outstanding obligations.

Art. 61. To see how much money the town will vote to grant and raise for school flags for the ensuing year.

Art. 62. To see if the town will vote to authorize the selectmen to sell and convey any or all property acquired by tax sale.

Art. 63. To see if the town will vote to authorize the

selectmen to transfer the unexpended balances on the following accounts: $6.38 on the Waterman road, $36.00 on Duck Pond road, $.25 on the Scarboro road to the highway account, and $9.55 on the Leavitt bridge to the bridge and culvert account.

Art. 64. To see what per cent the town will vote to pay the collector of taxes for the taxes collected for the ensuing year.

Art. 65. To see what action the town will take in regard to a budget committee.

Art. 66. To transact any other business that may legally come before said meeting.

The selectmen give notice that they will be in session at the selectmen's office on Saturday, March 5th, from 9 o'clock A. M. to 4 o'clock P. M., for the purpose of correcting the list of voters.

Fail not to make due service of this warrant and return your doings thereon at the time and place of meeting.

Given under our hands this seventeenth day of February, A. D. 1932.

Fred W. Smith,
George H. Davis,
Norman L. Owen,
Selectmen of Buxton.

LIBRARIAN'S REPORT OF BERRY LIBRARY.

January 1, 1931, to January 1, 1932.

Library Hours.

Wednesday afternoon from	2.00 to 5.00
Wednesday evening from	6.30 to 8.30
Saturday afternoon from	2.00 to 5.30

Number of books in circulation,	8,200
Largest number in one month, January,	801
Smallest number in one month, June,	528
Number acquired by purchase,	204
Number acquired by gift,	88

We are indebted to Mr. Allan P. Stevens for a gift of 78 books of fiction. To Mr. S. B. Shepard for three books and to Mrs. Anderson for three books. To Mrs. Ralph Leavitt for four, One Hour Guide, Wildowers, Trees, and Butterflies. We have a copy of Saco Valley Settlements, one of Furniture and Furniture Finishings and a History of George Washington.

One adult book was accidentally destroyed and one child's book by contagious disease.

We have the usual number of magazines for the reading table which are put into circulation one month after being received.

The library has been open 155 times. It was closed Saturday, July 4th.

Amount received from fines, $16.35, of which part has been used for the purchase of books and the balance for incidentals.

Respectfully submitted,

Fannie E. Towle,
Librarian.

REPORT OF SCHOOL CLINIC AT BUXTON-HOLLIS HOSPITAL.

During the past year we have not only conducted regular clinics on Tuesdays and Saturdays, but we have done clinic work for our students on other days, and have treated emergencies at any and all times for all students in our schools.

Our examinations and records made of all children of school age in both towns, needing correction for abnormalities and health impairments, have been very complete and thorough. We have advised and treated all cases brought to the clinic.

There have been less tonsil and adenoid cases, simply because so many have been removed during the past two years. We have accomplished a lot of work in our dental clinics, which was obviously needed. We have treated and done reconstruction work for approximately one hundred and fifty children needing this work in Buxton and Hollis. We are much pleased to state that the dental clinics were well attended.

Parents and relatives have been interested and helpful in the clinic work. Our friends, Dr. Owen, Dr. Baker and Dr. Abbott have rendered valuable assistance and are very much interested. Dr. Merriman has, as always, given his help and advice for which we are indebted to him.

Respectfully submitted,

A. G. Wiley, M. D.,
Buxton-Hollis Hospital.

REPORT OF FIRE WARD.

To the Municipal Officers and Citizens of Buxton:

I herewith submit my report as Fire Ward for the year ending February 7, 1932.

The number of fires covered by the Bar Mills Fire Department were 35, of which 26 were chimney fires.

I hope the citizens will consider increasing our fire account for we are in need of new fire hose. The most of our hose is at least five years old and I think it advisable for the Town to purchase new hose this year.

I thank all the citizens and members of the department for their coöperation.

Sincerely submitted,

MAURICE R. GOODSON,
Fire Ward.

REPORT OF DEPUTY FOREST FIRE WARDEN.

To the Municipal Officers and Citizens of Buxton:

I herewith submit my report as Deputy Forest Fire Warden for the year ending February 7, 1932.

I have issued 25 permits to burn brush and slash this past year.

Sincerely submitted,

MAURICE R. GOODSON,
Deputy Forest Fire Warden.

REPORT OF THE SUPERINTENDENT OF SCHOOLS.

To the Superintending School Committee and Citizens of the Town of Buxton:

The annual report is herewith submitted:

In the present economic situation it is re-assuring to note what is being accomplished in the field of education. Our schools are not only holding their own but a definite progress is noted. The standard of work accomplished by teachers has improved notably. There has been an increased enrollment, better attendance, and fewer pupils are leaving school. There has been an increased interest in the value of education and the importance of education is emphasized more than ever at this time. There has never been a greater opportunity for the schools to serve the community.

At this time all of our buildings are in a very good condition of repair. Our building and remodelling programs have been completed. So the cost of repair and upkeep of our school buildings should be considerably reduced. It would seem desirable to reduce these costs as well as those for equipment and supplies during the present emergency. Our schools are now so well equipped that a reduction in expenditures will not impair the efficiency of the work.

With the present oversupply of teachers, it is possible to have an adequately trained teacher for each school—a situation favorable to a better standard of work. We are positive that to-day we are receiving better returns on the money invested than ever. It is true that there has been a considerable advance in the cost of education during the past ten years. But these increased expenditures are considered justified in view of the value of education and the increased demands upon our schools. While considering any possible reduction of salaries in view of the difficulty of teacher placement, we should remember the cost of a two-year normal training course and the years of successful experience of many of our teachers. We are demanding more of our teachers in school administration than ever

before. These additional requirements include new subject matter in the course of study, oversight of school buildings, and playground activities. A very important requirement is the oversight of pupils during the noon hour. In addition to classroom instruction and routine work, the law requires that physical education and recreational exercises be given in the schools. Teachers are expected to teach music as outlined by the music supervisor.

The coöperation of parents and teachers is requested in dealing with communicable diseases. When a disease appears in a school it is apt to spread through the entire school and cause economic loss through lowered attendance, cost of fumigation and burning textbooks.

The State survey on retardation this year disclosed the following interesting facts relative to causes of retardation in the grades. When we remember the economic loss caused by retardation in our schools, these reasons take on added importance. The more important causes given in the report on this survey were: frequent school changes, sickness, poor health, lack of parental influence and lack of application. It is obvious that many of these causes can be remedied by securing well-trained teachers who will work in coöperation with the parents.

It is pleasing to note the renewed interest in the course in music in all schools under the direction of our new music supervisor, Mr. H. A. D. Hurd. A definite progress and improvement has been noted under his instruction.

REPAIRS.

This year in the Bar Mills School we were confronted with an enrollment of 113 instead of 92; the number enrolled last year when we were overcrowded, with three teachers. Owing to this large increase in enrollment it seemed desirable to utilize the fourth room in this building. This plan would relieve the teachers of an unequal distribution of scholars, and provide for more individual instruction without too much of a load on any one teacher.

This situation was viewed as an emergency in which it was necessary to go to expense of providing an extra teacher for this building. To save on the cost of equipment it was decided to use the seats and desks from the Scarboro Corner School. It was necessary to have these seats and desks refinished. One of the radiators in the fourth room was broken. In order to heat this room satisfactorily it was necessary to purchase a new radiator. Some of the difficulty experienced in heating the room on extremely cold days was due to the construction of the building. A very satisfactory improvement was noted after putting strips of roofing paper behind the blackboards and putting in fire stops under the blackboards in the two rooms upstairs. Mr. Nelson, of the Fels Co., looked the heating system over and declared the system to be heating very satisfactorily. The plumbing system has been reported unsanitary and wasteful of water so that a larger amount of water is used than necessary. If this situation exists, then another year the plumbing should be replaced with a new system if necessary. There were a number of instances this Fall when it was reported that we did not have an ample supply of water. This would be a serious situation, not to have a sufficient supply of water for school use, also a reserve supply for use in the emergency of a fire. The old pump was reported worn out. This pump had been in use for a long time. A new pump with a larger pumping capacity was secured. The emergency which occasioned the additional expenditures in the Bar Mills building was responsible for the overdraft in part in the Repairs Account.

The old walk to the high school building was so badly broken that it was necessary to replace it with a new concrete walk. The new walk was built in a very satisfactory and durable manner and in such proportion that it renders the front and approach to the building more attractive. At some future time plans should be made for grading and resurfacing the school lot. Here is an opportunity by which the present appearance of the school grounds could be greatly improved.

The Hanson Fund has been a great help in providing extra advantages for the schools. Excellent sets of reference books have been secured for the schools. A set of the Book of Knowledge and a set of Pictured Knowledge have been secured this year for the Elementary Schools. Instead of buying one set of the same reference works for each school, it seemed desirable to purchase a number of different sets. By transporting these sets from one school to another, it has been possible to have interesting sets of reference works available for all schools. In the High School, the Royal Typewriter purchased this year gives a certain group of pupils an opportunity to get acquainted with typewriting. This machine has a number of practical uses in preparing neat, legible work for the school paper, and stencils for the Neostyle duplicating machine which was new this year. The Neostyle has been very useful in preparing examinations and copies of programs and for supplementary work.

The Elementary School Year has been lengthened so that now we have 35 weeks instead of 34 weeks. It will be an advantage to have this extra week of Elementary School work, for now we have only eight years of Elementary School work where a few years ago we had nine grades.

We have appreciated the continued support of our high school and school activities by the loyal alumni, and this year the electric clocks which were given by the alumni were very much appreciated by the students and teachers.

We wish to acknowledge a recent gift from Mr. Isaac Clough of $30.00 for the High School. This is Mr. Clough's second gift for school equipment. Last year we received a very attractive library table through Mr. Clough's generosity, which is very much appreciated.

We are pleased with the care that has been given the high school building during the present successful school year. The standard of school work has improved steadily under Principal Jewett. In addition to the worthwhile work accomplished in the class room, the accomplishments in all school activities reflect much credit on the teachers and on the students for their coöperation. We should regret losing

our present force of teachers who are obtaining such satisfactory results. The State agent for Secondary education on the occasion of his visit to the high school commended very favorably the work of the teachers and the condition of the school.

Respectfully submitted,

GEORGE E. JACK,
Superintendent.

PUPIL REGISTRATION.

NUMBER OF PUPILS REGISTERED AT BEGINNING OF FALL TERM.

ELEMENTARY SCHOOLS.

Average Attendance for year: Elementary Schools, 233; High School, 55.

Length of school year, 1931-32: Elementary Schools—35 weeks; High School—36 weeks.

Schedule for Year.

Elementary Schools—Fall Term, 14 weeks; Vacation, 2 weeks. Winter Term, 11 weeks; Vacation, 3 weeks. Spring Term, 10 weeks.

High School—Fall Term, 14 weeks; Vacation, 2 weeks. Winter Term, 12 weeks; Vacation, 2 weeks. Spring Term, 10 weeks.

The State School Fund this year was $3,342.95. This sum is apportioned to the towns on the basis of teaching positions, the school census and the aggregate attendance. $100.00 is paid for the Scarboro Corner School conveyance (the amount paid for each teaching position). This amount is paid when a school is closed and suitable conveyance furnished—as would be paid if the school were maintained.

The school census (list of those residents with ages 5-21) was 485.

REPORT OF SUPERVISOR OF MUSIC.

To the School Board and Citizens of Buxton, GREETINGS:

It becomes my pleasure to await on you with my report of the aim, requirements and progress of the Music Department of the public schools.

The aim of the course in music is to give elementary instruction in sight singing and musical appreciation, so that the pupils may have an all-round conception of the art, enabling them to participate and understand it to the highest possible degree. Further to encourage those who have exceptional talent to pursue its study more extensively, not in singing alone, but by taking up other instruments.

I have outlined the following requirements: Instruction in sight singing, using the do, mi, sol system: Strict rudiments of music, including notation, time, rhythm, dynamics and keys. Music appreciation and correlation also form an important part of the course, giving the less musical pupils an opportunity to enter into music study from the broadest angle.

Just a few words of explanation regarding correlation, in other words, drawing from a music lesson an arithmetic, geography or drawing lesson. It is possible to do this with every subject taught, and we have conducted many such lessons during the fall term. Its purpose saves time for the teacher and strengthens and broadens the mind of the pupil along creative lines of the highest order. This is pioneer work in Maine and New England, and Buxton is one of the first towns to do such work.

Music forms an important part of all school and community activities. Christmas is the happiest time for our boys and girls. Every school and community had its Christmas tree and program. The major part of all of these programs was music. Every school sang the standard Christmas hymns and carols. At the North Congregational Church Sunday evening a concert was given which was largely attended, and I wish to take the opportunity here to thank the

Minister of the church and the Christian Endeavor Society for giving us the evening.

The celebration of the Washington Bicentennial has its connection with music. For the remainder of the winter term and part of the spring term the lives and music of contemporary musicians of Washington will be studied. Among the great masters are: Bach, Handel, Haydn, Mozart and Beethoven, all living and active during Washington's time; and from America, Francis Hopkinson, our first native composer and a close friend of Washington.

The Bar Mills schools are preparing for their graduation the Cantata Lindbergh, which will be sung by a chorus of fifty voices.

The High School has a chorus of fifty-four voices and are working on a program to be given in a joint concert with Standish High School in the spring. The combined choruses will number over a hundred voices.

In conclusion, let me say that the elementary study of music has a two-fold purpose; it not only helps students to appreciate the finer branches of art leading to better living, but it quickens the mind and gives them a command of their faculties that no other study can give.

All of the above work has been and is being accomplished by the coöperative efforts of the citizens of Buxton, the Board of Selectmen, the School Board, the Superintendent of Schools, and an efficient teaching staff.

Respectfully submitted to the citizens of Buxton this first day of February, 1932.

H. A. D. Hurd,
Supervisor of Music.
